

**Bring hands-on science to your  
classroom!**

*Handouts and resources included with every workshop.*

- Scientists & Engineers  
-in-the-Classroom
- Science Workshops for Teachers
- Hands-on, Minds-on Activities

## **Grade 2 Teacher Workshop!**

### **Exploring Liquids + Buoyancy & Boats**

**Date:** Wednesday, October 25th

**Time:** 5:30 – 8:45 pm

**Location:** St. Richard School  
5704 Millwoods Road NW, Edmonton

**Cost:** \$50 to register for both sessions.  
\$35 to register for a single session.

**Light dinner, hands-on activities & classroom  
resources are provided with workshop registration.**

*\*All fees are subsidized thanks to our generous donors.*

**Register Online!**

### **Exploring Liquids**

Looking for experiment ideas that will make a splash? Ready to sink deeper into understanding the nature of liquids? Join Mike Boire, a passionate engineer and experienced educator, for a practical and informative workshop filled with hands-on science that will be sure to soak in.

### **Buoyancy & Boats**

Have your own Eureka moment! Like Archimedes himself, explore the connection between density, fluid displacement and buoyancy. Daryl Chichak, a STEM specialist and former Edmonton Catholic Schools science consultant, will guide you through exciting demonstrations that will inspire understanding and bring confidence to your teaching.
